Address:125, Shyam Nagar
Main, Indore

We are seeking a front-end web developer to join our team. As a front-end developer, you will be responsible for the user interface of our website. Qualified candidates will be expected to have a working knowledge of HTML5, CSS, and JavaScript and a basic understanding of user interface and user experience (UI/UX) design. Your duties will include turning wireframes and mock-ups into reusable code and building high-quality UI components with scalability in mind..
